Yet Two More Bumps in the Road to Equitable Representation in Higher Education

Richard Tapia
Rice University

Abstract
Professor Tapia will be focusing on issues discussed in two op-ed pieces that he wrote and which appeared in The Chronicle of Higher Education. These are Minority Students and Research Universities: How to Overcome the “Mismatch” and True Diversity Doesn’t Come From Abroad, both of which are available on the SUMS homepage, www.math.hmc.edu/~dk/sums/.
